Subject: HCII 2017: Your paper submission with ID: 913 - review results

Dear Author(s),

Thank you for your interest in HCI International 2017 and the affiliated Conferences and for your submission

Submission ID: 913

Paper Title: "Development of an interactive social tool for Mexican young adults to lower and prevent overweight and obesity"

By: Diana Sepulveda Barrera, Luis Alvarado, César Delgado, Sergio Zepeda

We are pleased to inform you that, based on the comments of the reviewers, your submission has been accepted as a poster for publication in the Conference Proceedings and presentation at the Conference.

The extended abstracts of the posters accepted for presentation at HCI International 2017 will be published by Springer as part of the CCIS series, indexed by DBLP, Google Scholar, EI-Compendex, Scopus, etc. More information about indexing of the CCIS Series is available through the Publisher's website: <http://www.springer.com/series/7899>

They will be available on-line through the SpringerLink Digital Library, readily accessible by all subscribing libraries around the world. All Conference participants will receive in their registration bags the Conference Proceedings in electronic format.

The synthesized reviewers' comments are appended at the bottom of this e-mail.

Please send the extended abstract of your poster for the Conference Proceedings by Friday, 7 April 2017, at the latest. The camera-ready poster extended abstracts shall have typically 6 pages (they will not be published if they are less than 4), they must be written in the form of self-contained short research papers. The formatting guidelines for the preparation of the manuscripts will become available through the Conference website at a later stage and you will be informed in good time.

Please note that we will only accept electronic submission of your extended poster abstract, which you can upload via the Conference Management System (CMS): <https://cms.hci.international/2017/>

**IMPORTANT NOTE - Registration Regulation:**

In order to provide a greater opportunity for more people to present at the conference, multiple submissions by single authors cannot be accepted. Co-authors may appear on multiple papers, but each accepted paper, or poster, with multiple co-authors should have a different conference registrant. For poster
