Subject: ICDS 2016: Request to review contribution 10028

Dear Joaquín Sergio Zepeda Hernández,

We kindly request that you review contribution number 10028 for the ICDS 2016 conference with contribution title "Motivations and Risks of Social Media Crowdsourcing in War-torn Societies: Evidence from Syria". We would appreciate if you could complete this at latest on February 18. The work is submitted as:

contribution type: 1. regular paper [in the proceedings, digital library],

content category: academic research

conference page: <http://www.iaria.org/conferences2016/ICDS16.html>

Please consider to provide constructive criticism on weaknesses, strengths, suggestions, formatting, language, and references as you see appropriate.

Also, please, consider to provide appropriate feedback that is relevant to the contribution type (which can be regular paper, poster, work in progress, demo, idea, doctoral forum submission, or presentation) and content type (which can be academic research, implementations and benchmarking, industry reports, industry research, state of the art -surveys, studies, etc.) of a submission where novelty, details, and final results have different levels of relevance.

The authors will be required to improve their articles based on your recommendations. Based on your specific comments, feasible requirements will be allowed to be fixed in a short time-frame under dedicated editorial/content guidance from IARIA.

You can access the review page by going to:
